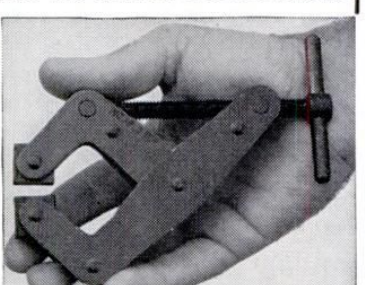
SAXTON *Kant-twist* CLAMPS

THE NEW STANDARD IN CLAMPING DEVICES

Combines the best features of "C" and parallel clamps, provides new freedom of movement — clears work area — eliminates distorting, twisting action of conventional clamps — provides three different gripping surfaces.



"HAND-TIGHT" IS TIGHT ENOUGH.

Kant-twist clamps weigh approximately half as much as comparable C-clamps yet are 40% stronger—by actual test—this feature makes Saxton clamps extremely valuable on jobs where weight is an important factor.

MOD. NO.	MAX. OPENING	THROAT OPEN	THROAT CLOSED	PRICE EACH
1	1"	1/2	5/8	2.50
2	2"	1 1/8	1 1/2	3.00
